— Todd's Story —

BBQ history was made in 1999 when Todd won Kraft Foods BBQ Sauce "Flavor Search Contest." His signature sauce was bottled and sold by the millions nationwide—including in local Oakhurst grocery stores! It went on to become one of the fastest-selling sauces in Kraft history.

Today, after years of touring the nation sampling all types of real "Q" Todd decided to open a "Real Barbecue Restaurant" right here in Oakhurst. A place to bring real "Q" to real people!

Here at Todd's CookHouse, we barbecue with a blend of hickory, local oaks and Fresno fruitwoods—each wood delivering its own specific smoke ring which range in color from dark mahogany to pale rose. These rings are sometimes mistaken as the meat being under cooked. Don't be fooled. Its a sign of "Real Barbecue"!
